

A BRIEF OVERVIEW OF AWARDED PROJECTS IN P&PPP

Till Q3 2023

Introduction

The National Center for Privatization & PPP (NCP) are pleased to share a brief overview of awarded projects in PPP&P for the stated period.

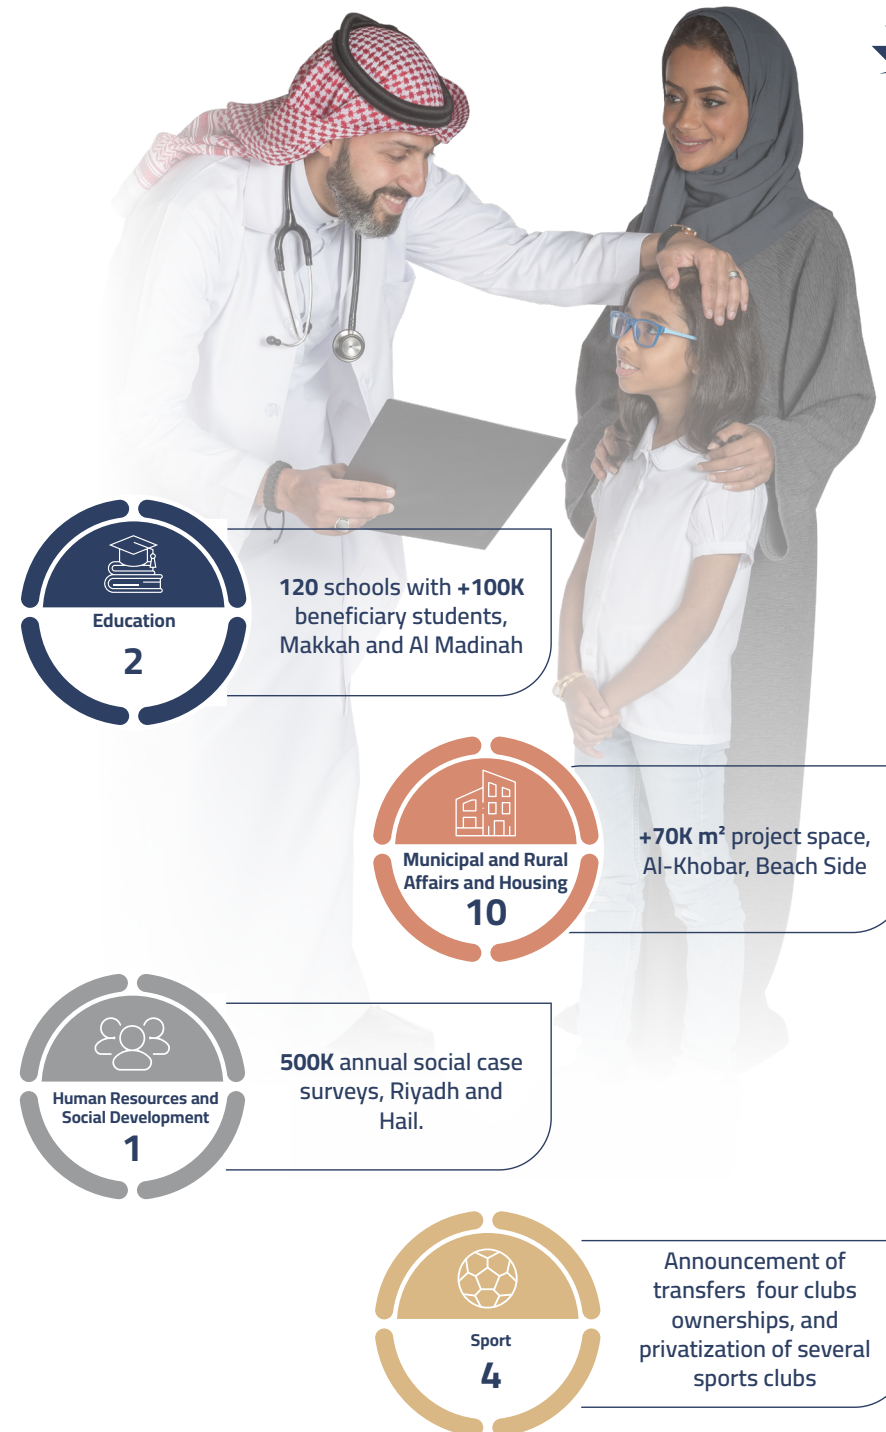

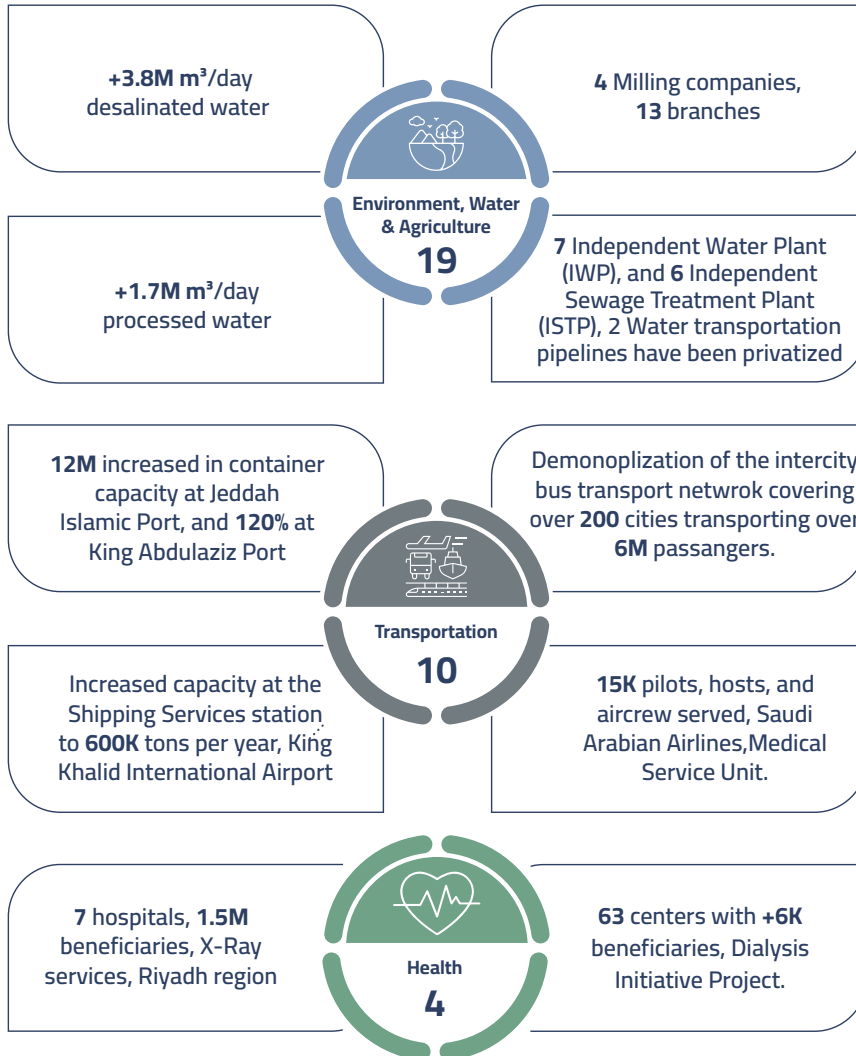

All the projects stated here account for an estimated value of SAR 28 billion in private sector's capital investment in addition to SAR 7.8 billion of return generated from partnership operations and privatized assets.

In cooperation with 16 targeted sectors, NCP is proud of these achievements, which contribute to achieving the objectives of Vision 2030 and raising the efficiency and quality of services for citizens and residents.
